

**Join us in Williamsburg for our sixth annual
Colored Pencil Seminar
With Amy Lindenberger, CPSA, CPX
DATES: November 6, 7, 8, 2020**

We are excited to welcome a new teacher, Amy Lindenberger, to our 2020 Colored Pencil Seminar Program. Amy teaches workshops on a variety of subject matter and colored pencil techniques. She is a Summa Cum Laude graduate from the University of Akron, OH, with a Bachelor of Fine Arts degree in Drawing. In 1990 she became a charter member of the Colored Pencil Society of America (CPSA) and in 2013 she was awarded Signature status by CPSA in colored pencil and mixed media works (CPX). She is a firm believer that colored pencil has brought her tremendous opportunity and artistic fulfillment.

I took a seminar from Amy in early 2019 and was impressed, not only with her work, but also with her teaching style and the amount of information that she shared. Amy shared background info about various types/brands of colored pencils, as well as her project planning swatch chart and techniques. I have asked her to share that information for our seminar as well. She also put us through some warmup techniques and practice exercises. The students in the class had varied colored pencil experience, and she was able to help each one at their level.

I requested that Amy do a portrait on a dark background and a small still life. I was looking for different types of paintings than those we have offered previously.... both in subject matter and style. The plan is to spend two days on the portrait (including warm up) and one day on the still life.

We hope you will join us in 2020 for our annual colored pencil seminar. I believe you will leave having added to your colored pencil knowledge and skills!

The cost of the seminar will be \$205.00. A non-refundable deposit of \$100.00 is due with your registration. The balance plus paper fees will be due on October 6, 2020. The cost includes a mid-morning and afternoon snack and coffee.
